Our 25 kg paper bags are block-end constructed of high performance kraft paper.

All of our paper bags are marked with our trade name, product grade, weight, lot number and product WHMIS/ HMIS ratings.

30 bags (750 kgs) are stacked on a 4-way pallet with protective cardboard between the pallet and bags as well as on top of the bags. The entire load is then wrapped with a one-piece protective polyethylene stretch hood.

Available for the following Thermax® grades:
- N991 Powder
- N991UP Powder Ultra Pure
- N908 Stainless Powder
- N908UP Stainless Powder Ultra Pure

Full 20’ ocean container = 16 pallets = 12,000 kgs
Full 40’ ocean container = 32 pallets = 24,000 kgs
Full truckload = 22 pallets = 16,500 kgs
