

50lb Thermax Floform Paper Bags

Pallet Length	Pallet Width	Pallet Height
49"	43"	51"

Our 50lb paper bags are block-end constructed of two-ply kraft paper.

All of our paper bags are equipped with a sealing tube at the spout to prevent leakage and are marked with our trade name, product grade, weight, lot number and product WHMIS/HMIS ratings.

60 bags (3,000lb) are stacked on a 4-way pallet with protective cardboard between the pallet and bags as well as on top of the bags. The entire load is then wrapped with a one-piece protective 5 mil polyethylene stretch hood.

Available for the following Thermax grades: N990, N990UP, N907

Full truckload = 15 pallets = 45,000lb
